3. REVIENS 3.0

Event: 3 day Annual Flagship Event
Date: 13th – 15th May 2022
Venue: College of Engineering Trikaripur

IEEE Student Branch College of Engineering Trikaripur organized its National Level Annual Flagship event REVIENS 3.0 from 13th to 15th May 2022. REVIENS 3.0 was a thriving three-day event which included worthwhile workshops, top-notch talks, galvanizing games, astounding activities and many more promising programs. A total of 214 delegates from various colleges namely GECK, VJEC, Bishop Jerome Institute etc. joined us in this great journey. REVIENS 3.0 flagged off on 13th May 2022. Delegates arrived around 2.00 PM and completed their registration process by 4:00 PM. There were 50 volunteers who were the backbone of the event and worked hard for the success of this event.

Inauguration Ceremony started by 5:00 PM with the welcome speech of Mr. Vaishakh P Nambiar, Chair (2021 Execom), IEEE SB CETkr which was followed by Code of Ethics delivered by Ms. C V Anushka, Secretary; Inaugural address was delivered by Dr. Vinod Pottakulath, Principal, College of Engineering Trikaripur. Presidential Address by Dr. Naveena AK, HOD of Computer Science Department and Branch Counselor of IEEE SB CETkr; Felicitation by Mr. Srikanth P, Assistant Professor EEE Department and Vote of thanks by Ms. Aiswarya N, Chair of IEEE SB CETkr. After the inaugural ceremony, all the delegates were taken for an ice-breaking session. Delegates actively participated in the gaming section. Hanan Shaah with his magical voice made the day more special. He conquered the heart and soul of every delegate with his euphonious voice.

Day 2 was reserved for three interesting and worthwhile workshops namely 'Total Station and Advanced Surveying', mainly focused on Civil and Architecture graduates. 'Web Mining' was for Computer Science and IT graduates and 'Image Processing and Robotics' was for Electronics and Electrical Engineering graduates. These workshops were handled by professional staff and the workshops began by 9:30 AM. The Workshops were productive enough to improve and develop knowledge for the students in their respective areas. Workshop continued till 4:00 PM and had two tea breaks and a lunch break in between. The day continued with some power-packed games and followed by an interactive session by the much-awaited guest RJ Shambu. His presence and words infused the delegates with confidence. Day 2 ended with a massive and rousing DJ night. The delegates were super excited.

Day 3, the final day, was a mesmerizing experience for both delegates and volunteers. The day began with a wonderful talk by the most inspiring and stunning actor Ashwin Jose. The day was wrapped by noon after the lunch with a thanks note given by Vaishakh P Nambiar, Chair (2021 Execom) IEEE SB CETkr. Feedbacks were also collected.
