

REPORT TALK SESSION ON STARTUPS

Date: April 3, 2024

**platform:Google
meet**

IEEE WIE SBC CETkr conducted a talk session on start ups on 3rd April,2024 at 8.30PM . The IEEE WIE Kerala Section organized a talk session titled "Start-ups" as part of WIEmerge Week 2024. This initiative aimed to celebrate Women's Day by bringing together WIE Affinity Groups from multiple institutions, including LBSCEK, ASET, GECK, and CETkr. The session was designed to inspire and educate attendees on the intricacies of starting and managing a business, encouraging innovation and entrepreneurial spirit among students and professionals.Collaboration among multiple IEEE WIE Affinity Groups

The poster and content were shared to the public 3 days prior to the talk session .The 1 hour session was informative and helpful to gain new ideas . Feedbacks and suggestions regarding the talk session were made to get from the attendees. Participants were required to register via a provided Google Forms link. 100 participants where included in the session .conduct details were shared for addressing queries, ensuring smooth coordination.Certificates were provided to participants to acknowledge their involvement.
