INIZIO 9.0

DATE: 7th October 2023

VENUE: College of Engineering Trikaripur

IEEE SB CETKR conducted its flagship event named INIZIO 9.0 for the freshers/lateral entry students of college of engineering trikaripur on 7th October 2023.

The objective of the one-day programme was to make the students aware of the importance of IEEE in moulding the students to become fit for utilising the opportunities awaiting them.

The participants were warmly welcomed to the venue by volunteers. The event began at 10 am. Code of ethics was delivered by Harith Babu, Secretary IEEE SB CETKR followed by welcome speech by Vyshak K, Chairperson IEEE SB CETKR. Dr.Vinod Pottakulath delivered the inaugural address, felicitation was by Dr.Naveena A K, Branch Councillor

The inaugural session was followed by the Membership Development session which was handled by Hafis CP.It was an interactive session and

the participants were provided with refreshments in between. The lunch break was at 12.30 pm. After the break the session continued for a while.

Then the participants were divided to 10 groups and were given different tasks. It was followed by different funny and interesting games in which the participants participated with great enthusiasm. The game session was wrapped up with a massive treasure hunt that was spread across the college premises. The participants of different games and winners were awarded with prizes. There were about 120 participants.

The program ended with good appreciation and response from the participants. The organisers of the programme have evaluated the whole event as the one which fulfilled the objective targeted at.
