

# INIZIO 4.0

DATE : 04/08/2018

VENUE : College of Engineering Trikaripur

No. of participants : 40

IEEE SB CETkr hosted the fourth edition of Inizio, a program intended to introduce IEEE to first year students. The session handled by the Malabar Hub team mainly focused on imparting knowledge to students about IEEE, its benefits and services. It was followed by an interactive session for students to clear their queries. An ice breaking session was also arranged by the student branch for the participants. The session was officially wrapped after the feedback and photo session.
